DONG DING
Yes, ma'am
The bell is ringing, girls
You know we're switching classrooms for next period right
Ikarashi-kun?

Yeah
I was waiting for you, Noriko-sensei
I'll hold these for you
Well then, Ikarashi-kun let's go
I see that this is turning into a daily routine for y...
I'd rather take my sweet time actually
Huh?
Hang on-
The bell's already rung, so let's hurry
I should be the one telling you that.
step
step

Say Noriko-sensei
Would you like to go somewhere? I'll make sure to be free whenever you are
step
step

You know, I'd like to meet you outside of school
When will your summer break start?

You haven't changed much either, Ikarashi-kun.
Is something funny?
Um, what is it?
Will you think that way next year when I'll no longer be your student?
Ikarashi-kun
step
Please, call me Atsushi

grown a lot.
You sure have
Still,
you'll always be
my precious students.

Come on,
we're making everyone wait.
Let's hurry, Ikarashi-kun.
Ha!

So dazzling
Ugh, the south building is so far!
Hurry up, we have PE next
run

run
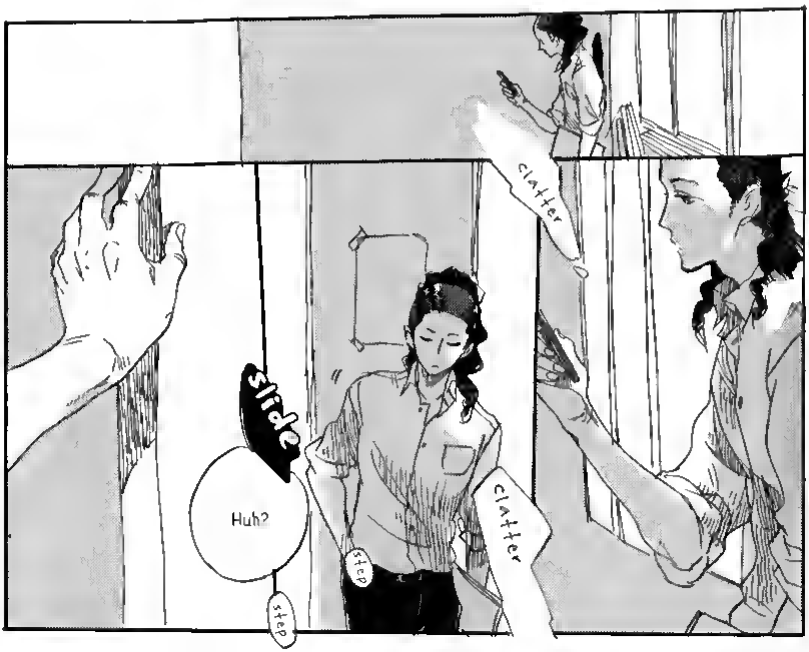
Wait for me!
Come on, hurry up!
So dazzling

You'd think after being around for three years
I would've gotten used to the south building
Both buildings are part of the same school
ARTS CLASSE
yet it feels like I've stepped into another world

Kura...
Kura, you in here?



So dazzling
clatter
slide
Huh?
step
step
clatter

I'm sorry
Argh... don't tell me I was making you wait again...
Nah...
I just got here
Figured I'd read a new message I got, is all
Suga
Alright, if you say so...
Welp
welcome back

Th-
Thank you.

Music Student

The following pages will focus on Nishi High (Kanzaki-kun) for a bit
Enjoy!

Kanzaki
I found the idea of swapping Sasa & Suga's school uniforms with the Nishi High's appealing but their summer uniforms turned out to be the same. Sorry, I just wanted a pretext to draw the girls

I'll drag Kura along

Oh and I'm also counting on you
Huh, it's getting pretty hot, you know
Yeah
You don't wanna?
You promised me you would though
Right?
Come on, tell me when!
When is it?
Sasa's been a pain in the butt about it I'm tellin' ya
